

Who is School Completion for?

SCP is a targeted services for children and young people who require additional support to get the most from their education.

Children and young people must be referred to the SCP. Schools, parents and other agencies can refer.

Once a referral is made, then the SCP will see if SCP is the best support for the child. Not every child who is referred will receive a support.

If you are interested in finding out more, please contact Kerry South SCP project coordinator or your Home School Community Liaison Coordinator

What is the School Completion Programme?

The School Completion Programme (SCP) provides support to children and young people to help them to get the most from their education.

Kerry South SCP project focuses on:

1. Improving children's attendance at school
2. Improving children's participation in school (involvement in class and school activities)
3. Improving children's retention (staying in school)

Schools Supported by SCP

Kerry South SCP project provides support to children and young people in the following schools:

4 primary schools

*Tralee Educate Together NS

*Scoil Iognáid Rís, An Daingean

*Mercy Moyderwell Primary, Moyderwell, Tralee

*Presentation Primary, Tralee

3 post-primary schools (Kerry ETB schools)

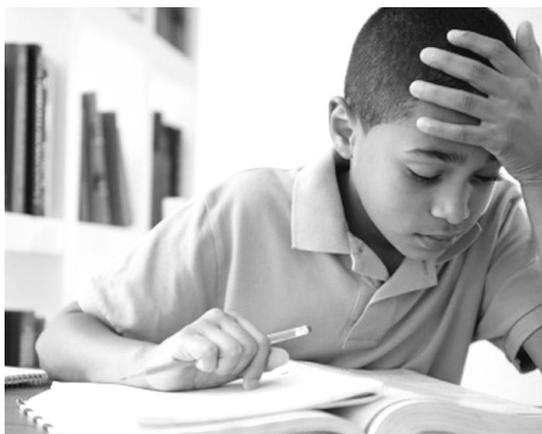

*Killarney Community College

*Killorglin Community College

*Coláiste Gleann Lí, Tralee

When can SCP provide support?

The SCP supports children and young people during the school day, after school hours, during school holidays and when young people are out of school.

Support SCP can offer

Kerry South SCP project can provide a range of supports to children and young people depending on their individual needs. These supports include:

- Homework Club
- Breakfast Club
- Social Skills
- Transfer Programmes
- Holiday Programmes
- Reading and writing support
- Behaviour Management
- Self Esteem Programme
- Anger Management Programme
- One to One Support
