Chapter 1: Introduction and Background

1.1 Introduction

The **Official Languages Act 2003** provides for the preparation by public bodies of a language scheme detailing the services which they will provide:

- through the medium of Irish,
- through the medium of English, and
- through the medium of Irish and English

and the measures to be adopted to ensure that any service not currently provided by the body through the medium of the Irish language will be so provided within an agreed timeframe.

In accordance with section 14(3) of the Act, language schemes remain in force for a period of 3 years or until such time as a new scheme is confirmed by the Minister for Tourism, Culture, Arts, Gaeltacht, Sport and Media, whichever is the later.

1.2 Preparation and Content of the Scheme

In the preparation of this scheme, due regard has been given to the Guidelines issued by the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media. In addition, there has been a comprehensive process of consultation with relevant stakeholders.

The **Kerry Education and Training Board (Kerry ETB)** is guided by the principle that the provision of Irish language services should be based on:

- the underlying level of demand for specific services in the Irish language,
- the importance of a proactive approach to the provision of such services, and
- the resources, including human and financial resources, and the capacity of the body concerned to develop or access the necessary language capability.

This scheme complements the principles of Quality Customer Service and our Customer Charter. It has been formulated with the intention of ensuring that all relevant obligations under the Official Languages Act by the **Kerry Education and Training Board (Kerry ETB)** will be fully addressed on an incremental basis, through this and future schemes.

The time and effort put in by all concerned in this process is acknowledged and appreciated.

1.3 Commencement date of the Scheme

This Scheme has been confirmed by the Minister for Tourism, Culture, Arts, Gaeltacht, Sport and Media. It commences with effect from 27 December 2020 and shall remain in force for a period of 3 years or until a new scheme has been confirmed, whichever is the later.

1.4 A Note on the Updated Scheme 2020-2023

In the period of time where the previous Language Scheme was in place, certain changes have been made in Kerry ETB's provision of services in Irish:

- i. An Irish Language Officer has been employed on a part-time basis since 2015;
- ii. An Irish Language Steering Committee has been established to direct the Irish Language Officer's work. The committee meets 4 times annually to monitor progress.
- iii. Kerry ETB has developed an Irish language Policy and a Vision for the Irish Language which is published on the website;
- iv. A Further Education and Training Centre opened in Dingle in 2017. This is a centre which is operating in a Gaeltacht area and which affords Kerry ETB more opportunities to provide services to the Gaeltacht community in West Kerry;
- v. Kerry ETB is co-funding Irish language courses in Corca Dhuibhne and in Uíbh Ráthach in conjunction with Oidhreacht Chorca Dhuibhne and Kerry County Council:
- vi. Kerry ETB is co-funding an Irish Education Officer role in Uíbh Ráthach in partnership with Údarás na Gaeltachta;
- vii. Kerry ETB is supporting efforts to source funding for two Youth Officer roles, one in Uíbh Ráthach and one in Corca Dhuibhne;
- viii. Kerry ETB is a member of the Uíbh Ráthach Taskforce, which aims to tackle the population decline in that area through providing a higher level of services to the communities there:
- ix. Kerry ETB provides a range of creative projects in Corca Dhuibhne for children and teenagers through Irish (see Services in the Gaeltacht below);
