# Adult Literacy and Basic Education

## Moving On, Moving Up

## Maths, Money and Numbers

Maths is all around us, let us take the fear out of Maths for you in developing your Mathematical eyes

- Some of the courses:
- Everyday Maths
- Family Budgeting
- Quantity and Numbers
- Mathematics

John, Killarney  
It's not like school at all, it is much more relaxed and I really look forward to class

Parents are their child's first educators

## Family Learning

These can include:

- Healthy Eating / Food Nutrition
- Help my kids learn
- Irish for parents
- Dads and lads
- Woodwork
- Social media awareness

Tim, Listowel  
"The course was great. Now I know more about how to help my kids with their school work, even just by playing games with them. I was a bit lost before, the tips and tricks have been a big help"

## Technology

Technology is the future

- Beginners' computers
- Smart Technology ie Ipad, smartphone
- Learn to use the Internet and Email
- Spreadsheets, Powerpoint Presentations
- Word Processing
- Digital Media
- Learn with NALA Online

Mary, Tralee  
"I think other adults would enjoy the courses because the tutors are very friendly and helpful"

## Read, Write and Spell

Brush up on your basic skills

Take the first step to improve your:

- Reading, Writing, Listening & Speaking
- Communications
- Spelling and Grammar
- Gain confidence and work towards a recognised certificate
- Up-skill or re-skill for work

Rose, Castleisland  
"I never passed an exam in my entire life until I came to one of these courses and I got my first cert. Now I get certificates all the time"
